

New Design HD Balance

As of October 10, 2014 we have changed the design of our Low height armrest model, art.nr. 62405 and 62406, as well as our Low hemiplegia armrest, art. nr. 63493 and 63494.

The new low side supports are now made with plywood, in place of the older version that was made with plexiglas. The new material is the same as is used in our standard side supports.

Art.nr: 62405 Armrest low left cpl
Art.nr: 62406 Armrest low right cpl

Art.nr: 63493 Armrest Hemiplegia low model left
Art.nr: 63494 Armrest Hemiplegia low model right

art.nr: 62477-1 Side support low left
art.nr: 62446-1 Side support low right
